

Our Partners

THE BEAUMONT PARTNERSHIP (FORMERLY WOODS BAGOT - THAILAND) - ARCHITECTS AND LEAD CONSULTANTS

The Beaumont Partnership is an organisation boasting many skills in the three core areas of client and industry service - Architecture, interior design and landscape design. TBP take great pride in the results they have achieved so far in these disciplines and know that there will be more success to be enjoyed in the journey ahead.

EEC LINCOLNE SCOTT - BUILDING SERVICES CONSULTANTS

EEC Lincolne Scott are an engineering Consultancy with nearly a century of experience in the design and operation of building technology. The field of building services has with the development of IT become a specialist service which requires substantial input from building services consultants to make sure that the projects we produce are complete in terms of operation and efficiency. They will advise on the correct direction to go in environmentally which is of prime importance when building in such a beautiful natural location.

Their website can be found at www.lincolnescott.com

WARNES ASSOCIATES - CIVIL & STRUCTURAL DESIGN

Warnes Associates is a dedicated single disciplinary consulting company specializing in civil and structural design. They believe our strengths to be within efficient and innovative structural concepts and have a team of over 60 staff, having grown rapidly and successfully since foundation of the company in 1999.

Their projects have been varied in size and complexity from simple small structures to larger more complex designs, with work ranging from traditional structural engineering analysis, design and documentation, through to the provision of engineering for specialist architectural and sculptural work, to value-engineered construction solutions.

They currently operate three offices located in Bangkok, Koh Samui and Phuket, and are also expanding regionally with initial representation in Singapore.

Their website can be found at www.warnes.co.th

ACH MANAGEMENT - PROJECT MANAGEMENT

ACH Management have been practicing in Thailand for the last ten years and are one of the leading Project Management and Quantity Surveying companies in the region. They have many local projects to their credit over the years including the Conrad and Sheraton hotels and high end residencies built for Dhevarata on Koh Samui.

Their website can be found at www.achmanagement.com

HMS/PMS ASIA-PACIFIC - HOSPITALITY & PROPERTY MANAGEMENT SOLUTIONS

With a team of dedicated and enthusiastic industry professionals, HMS Asia Pacific has built a reputation for providing professional and strategic solutions to any related field of the Hospitality Industry.

At HMSAP, the mission is to "Deliver beyond Expectation" in every thing they do and every solution they provide to their clients, no matter how big or small the request. HMSAP deliver on this continually and they pride themselves on their satisfied and loyal clients. It is HMSAP's commitment to their clients that enables them to deliver consistent and quantifiable results beyond their expectations. HMSAP's success is based on mutual understanding, their teams combined efforts and their years of Hospitality experience.

MAYER BROWN JSM INTERNATIONAL LAWYERS - LEGAL WORK & ADVISORY SERVICES

Mayer Brown JSM's Bangkok office was established in 1991 in direct response to their clients' needs for legal advice on investment and trade in Thailand and the neighbouring regions of South East Asia. The office has expanded rapidly and they are now one of the largest foreign law firms in Thailand with more than 30 lawyers, including 12 partners. They provide a comprehensive range of Thai legal service to both domestic and international clients.

Their website can be found at www.mayerbrown.com/bangkok/

BDO RICHFIELD ADVISORY - TAX & LEGAL SERVICES

International clients need specialist advisers who really understand the unique challenges they face.

At BDO Richfield Advisory Limited, they specialise in providing tax and legal services to international clients in Thailand and the Asia Pacific region. The company is promoted by Thailand's Board of Investment of Thailand (BOI) under the category of investment and trade support office in respect of advice and assistance to businesses concerning tax and legal matters and services to affiliate companies.

Their website can be found at www.bdo-thaitax.com

IMAGE MAKERS - BOUTIQUE DESIGN & MARKETING

Image Makers are set free from usual parameters to create unique designs and concepts. They take great pride not only in the quality of our work but also the WOW factor they input into their clients projects. Their boutique style of operation gives them flexibility and the focus required to be very responsive to their clients needs.

That's why blue chip companies keep returning to utilise their design and marketing services, a true sign of their abilities and success.
